Dated, Bangalore 16th November 1918.

Sir,

I have the honor to forward herewith for the information of Government copies of letter No. 2503/M 1278 of the 15th inst. from the Secretary, Public Works Department regarding arrangements for supply of food grains at Krishnarajasagar and of my reply thereto.

Letter NO. 2503/M 1278 dated 15th November 1918 from the Secretary to Government of Mysore, P. W. Department to the Food Controller in Mysore.

****

I am directed to address you on the food situation at Krishnarajasagar, which is reported to have grown critical of late. A copy of the telegram dated the 13th November 1918 (hereto attached), received from the Chief Engineer, Cauvery Valley Irrigation, shows that no supplies are avialble and that unless 220 pallas of ragi and 130 pallas of rice, are arranged to be sent every week, food scarcity and its attendant consequences will be grave.

2. Government observe that the situation at Krishnarajasagara was discussed on the 5th current with the Deputy Commissioner, Mysore District, and it was arranged that that officer should order rice and ragi to be supplied to Krishnarajasagar from the stock available in the Mysore City, that a grain depot should be opened and worked by the contractor recommended by the Superintending Engineer and that the issue of food stuffs should be on ration tickets issued by the Executive Engineers so far as the cooly population was concerned, and the various Departmental representatives with reference to their respective establishments. If these arrangements had been given effect to, food difficulties would have been completely removed.

3. Government trust that satisfactory arrangements will be made immediately, in communication with the local officers, to meet the requirements of the large cooly colony at Krishnarajasagara, besides the men of the Government Establishments resident at that place.

Dated, Bangalore 16th Nov. 1918.

From

K. Nathan, Esqr., B.A.,

Food Controller in Mysore, Bangalore.

To

S. Sadasiva Esqr

Secretary to the Government of Mysore,

Public Works Department, Bangalore.

Sir,

With reference to your letter no. 2803/W 1918 received last night regarding the food situation at Krishnarajasagar, I have the honor to state that the Superintending Engineer, Krishna Rajasagar wires wrote to the Deputy Commissioner, Mysore District on the 6th instant that no rain had been brought into the channel the previous day and that the people who required rain had to buy rice instead. The Deputy Commissioner therefore proceeded to Krishnarajasagar on the 8th instant, met the Superintending Engineer and the Special Land Acquisition officers and ascertained the requirements. It was settled that as soon as power to commandeer rain was vested in the Deputy Commissioner, and the funds asked for by him for the purpose placed at his disposal by the Government arrangements for erecting a rain depot at Krishnarajasagara and for rationing the population should be made and that in the meantime endeavours should be made to persuade zamindars to send some rain and rice to the channel by the 10th instant. Arrangements for supplying the channel on the 10th instant were made with the Sub Division Officer, Pinch Rocks and the President of the Mysore City Municipal Council and

the

the fact intimated to the Superintending Engineer; but owing to insufficiency of stocks in the Mysore City there was consider-able difficulty in the matter and the Deputy Commissioner had to get the President to release for Krishnarajasagar some regi which he had commandeered for the City.

The power to commandeer was received by the Deputy Commis-sioner on the 11th instant. On the transfer of the permanent Deputy Commissioner on the 12th, he has left a note for his locum tenens to specially attend to the requirements of the Krishnarajasagar population.

In these circumstances, I believe that future Mandies will be fairly well supplied as far as the General conditions permit.

I am telegraphing to day to the Deputy Commissioner of Mysore to see to the supplies at the Mandy tomorrow.

I have the honor to be,
Sir,
Your most obedient servant,

Sd) K. Matha

Food Controller in Mysore.

Letter No. F.326 dated 22nd. January 1919 from the Deputy Commissioner, Mysore District, to the Food Controller in Mysore, Bangalore.

With reference to your No.1716 dated 1st January 1919 in the matter of the arrangements for the supply of rice and ragi to the Krishnaraja Sagara Works. I have the honour to state that under the arrangements now made, no Government Depot appears necessary.

Two merchants have been licensed to supply ragi and rice respectively. The latter sought Government help by an advance to stock his supply of paddy during the harvest season. The arrangements specified in the enclosed copy of a mutchalika executed by him have been accepted and I hope are agreeable.
